

WHY PATIENTS SMILE ABOUT OUR PRACTICE

Our Team-Your Dental Family

- When you are here you are family. Our team takes the time to get to know you and looks forward to building a lifelong relationship.

Full Orthodontic treatment

- All Smiles can offer you a range of orthodontic treatment options, from full braces to Invisalign. So whether your teeth are crowded, too far apart, or have shifted since wearing braces, you will have a new reason to smile.

Health and Safety

- Our office is equipped with the latest dental technology and meets or exceeds government standards of infection control. We take pride in ensuring you and your family complete safety in the most caring and gentle manner

Cosmetic Dental Options

- Look younger and enjoy lasting beauty with the perfect blend of art and science. Thanks to the wonders of modern dentistry, with procedures such as bonding, porcelain veneers, aesthetic recontouring, tooth whitening, and implants, you can have your dream smile.

Our Comfort Zone

- It is our pleasure to accommodate our patients with safety glasses, lip balm, cozy blankets, neck pillows, complimentary beverages and a large selection of movies.

We Give Back to our Community

- Every October we participate with Operation Gratitude and the Halloween Candy Buy Back Program to benefit our troops serving overseas. Our doctors frequently travel to the Dominican Republic on humanitarian trips to provide care to over 5,000 people in need. We can also provide hospital dentistry through St. Luke's Regional Medical Center to accommodate our patients that require extra care.
